JYE CONEY

Congratulations to Jye Coney, son of on-course trainer Greg Coney, who had his first race drives at the Club's race meeting on Thursday last, 17th August 2023 after having been issued with his B-Grade Race Drivers Licence by HRNSW a week earlier.

Jye had five (5) drives at the race meeting, his first ever race drive being in Race 1 on the program, *The TAB App Maiden Pace*, which saw his runner take third place, but resulted in a very nervous visit to the Stewards Room soon afterwards and a reprimand for shifting ground under pressure. This drive was followed by a ninth placing in Race 5, a second place by only a head in Race 7 and then a sixth place for the Shepherdson stable in Race 8. But the best of the day came in the last on the program, *The John's Auto Service Tamworth Pace*, with the ultimate first career win by 3.3 metres driving COLBY NZ for his father Greg's on-course stable. Congratulation Jye. At the conclusion of the meeting, it was back to Cessnock for Jye, where he is currently working for the Clayton Harmey Stable, a drive for whom at the Newcastle Paceway the next night saw a second place by half-neck for Jye behind ROCKLEA IMAGE in *The Wandiyali - Keep Our Culture Strong Pace*. Come along to the Club's mid-year night meeting this week and watch Jye as he returns to Tamworth with a total of seven (7) drives during the eight (8) race program.

THE EUREKA - SATURDAY 2nd SEPTEMBER

The Inaugural TAB Eureka - The Eureka Race Discovers Greatness is the world's richest race for Standardbreds, with prize money and bonuses worth \$2.1 million and we are excited to have had locals make the support program which will be held at Menangle on Saturday 2nd September.

Courtney Sutherland and Danny Mackney each won a Qualifying heat of the JC Caffyn Plate at Newcastle on Friday 18th August with Dwayne Brown running a second, earning all three a spot in the Final whilst DOUGS RULES, trained by Brendan James ran second in her Qualifying heat on Monday 21st August at Menangle to secure a spot in the \$100,000 Breeders Challenge Blue Series Final. We wish them all the best.
